Yacht Club's Busy Meeting –.... Isaac T Washburne, J Herbert Carpenter, and Rev. W A Ranney were named as a committee to arrange for the formation of a one-design class for sailboats among the fifteen clubs along the river. The idea is for each club to build a sailing craft of prescribed length and sail area for the purpose of holding races. This it is expected will furnish rare sport and will revive an interest in sailing. The Shattemuc tars have seized upon the project with the greatest enthusiasm and no difficulty will be found in securing funds for building the boat.

Yacht Club Holds Meeting. ...The annual regatta of the Hudson River Yacht Racing Association, which is to be held here Labor Day, and which is referred to in another column, was discussed. The greatest interest is manifested in the one-design sailing class, for which Harry M Carpenter offers a magnificent silver cup as first prize. The club is having one of these boats constructed at Tarrytown and the selection of a crew was left in the hands of the Regatta Committee.

Trying to Revive Sailboating. The new one-design boat of the Shattemuc Yacht and Canoe Club, constructed at Tarrytown, was received by the local club last Saturday and in the trials already had she promises to give a fine account of herself in the one-design

class competition, which will be an event of the Labor Day regatta of the Hudson River Yacht Racing Association, at this village, and in which President Harry M Carpenter offers a magnificent cup to the winner.

The new boat, which has been christened "Shattemuc", is sloop rigged and is twenty-one feet over all, with a length of fifteen feet on the water line.

A crew has not been selected and it is practically impossible to get an experienced one from the younger members of the club as none of them have any knowledge of the handling of sailing craft, the catboat and the sloop having given away to the motorboat during the past twenty years. Isaac T Washburne, who was a very skilled amateur sailor in his boyhood days, has handled the boat and he is simply delighted with the behavior of the new craft.

Big Regatta Here Labor Day. The Regatta Committee of the Hudson River Yacht Racing Association held a meeting at the Shattemuc clubhouse, last Saturday night. In the absence of the chairman, W H Frank, President Harry M Carpenter was selected to preside.

Various details pertaining to the annual regatta of the Association, which is to be held here on Labor Day, were discussed and Isaac T Washburne, secretary of the Classification Committee, made an interesting report.

The regatta promises to be a most successful one, the entry list comprising eighty-five boats.

The local club has appointed a special committee on arrangements – Messrs. Harry M Carpenter, chairman; Lansing V Terwilliger, Oscar H Ressegiue, Isaac T Washburne, and Milan E Goodrich – and they have issued the following bulletin to members:

"Our club will entertain all the visiting yachtsmen and their guests on that day.

As there will be a large attendance and our space is limited, admission to the clubhouse and privileges will be by card only. Members must see that their guests are registered and provided with proper badges, as the public will not be admitted to the club. A badge is enclosed for your personal use, others will be furnished you upon request of the committee. The races will start at 10 AM and continue through the day. As some of the fastest motor boats on the Hudson will be present to race and as there is a large entry in the one design sloop sailing class, in which class our new boat is entered, some exciting sport is anticipated"

Local Yachtsmen Prove Excellent Regatta Hosts. The sixth annual regatta of the Hudson River Yacht Racing Association was held off the Shattemuc Yacht and Canoe Club Labor Day, and it was conceded by those who attended the preceding ones to be far superior to them in point of entries, attendance, and management of every detail.

... The prettiest race of the day was that of the single-design class in which were no time allowances. Twelve boats were entered and they presented a most beautiful sight as they swept across the starting line grouped close together and their sails almost touching. In the beginning the wind held strong, stretching every inch of canvas, but it gradually decreased toward sunset and the last of the boats came drifting home after dark.

The first to finish was "May Flo" of Yonkers, owned and sailed by J J Wiffler Jr. a Yonkers boy. William Ross sailing the "Zoe III" of Tarrytown, who asserted that the "May Flo" fouled the stake. The matter was referred to the Regatta Committee, who overruled the protest after hearing the evidence.

The three single design boats built this year finished among the last, the leader of the trio being the "Shattemuc" and a member of the Shattemuc Club, commenting on this said: "The one-

design class was adopted at the annual meeting of the Association last spring. It was supposed that all Mower one-design boats should be exactly alike. In Monday's race and in the race last Saturday the 1910 one-design Mower boats were beaten by the 1908 class, showing that a finer line and less beam was used in the latter division. The Shattemuc demonstrated last Saturday and again Monday that she is equal to any of the 1910 class, by winning over them in a strong wind on Saturday and by being beaten only by seconds in a no-breeze finish Monday"....

Yacht Club Opens Regatta Season. With the most perfect conditions prevailing, the Shattemuc Yacht and Canoe Club opened its racing season for the year of 1911 last Saturday afternoon, and a large party of invited guests witnessed the interesting races from the balcony of the clubhouse.

... The sailing race had two competitors, W M Collyer's "Rival" and the "Shattemuc", owned by the yacht club, and they furnished some of the best sport of the day, the "Rival" winning by a scant margin of twenty-five seconds.

The "Rival" came from New Hamburg and was sailed by the owner's son, John Collyer. Isaac T Washburne skippered the "Shattemuc", and his son Harold and Bruce Patrick were his gallant crew...

Holiday Regatta and Fireworks at Yacht Club. The Shattemuc Yacht and Canoe Club celebrated Independence Day with a regatta and display of fireworks, and the large party of guests expressed themselves as highly pleased with the entertainment provided.

The Regatta was managed by the Regatta Committee, composed of J Hebert Carpenter, Isaac T Washburne and Col. Franklin Brandreth, and they

directed proceedings from the deck of Col. Brandreth's "Phalarope".

There was a good entry list and boats competed representing The Tappan Zee Yacht Club, Newburgh Yacht Club, Nyack Yacht Club, Poughkeepsie Yacht Club, Albany Yacht Club, Jamaica Bay Yacht Club, and Lake Hopatcong Yacht Club.

The race of the auto boats "Peter Pan IV" and "Traver", which promised to be an exciting contest, ended in a disappointment, the latter withdrawing at the first turn, having failed to get all of the cylinders working. The "Peter Pan" went over the fifteen-mile course alone, completing the trip in 32 minutes and 40 seconds.

The results in the various classes was as follow:

Class C- Open power boats, course seven and one-half miles:

Local Yachtsmen Take A Part in Tappan Zee Regatta. The Shattemuc Yacht and Canoe Club was well represented at the morning regatta of the Tappan Zee Yacht Club held on the fourth of July, the boats and crews competing being as follows:

Marie Louise, Harry M Carpenter, owner; Jesse L Gorrell, Joseph M Royle, Sidney Bruce and George Carpenter. Francis R, Willett Acker, owner; Leo Derrenbacher and Barrett D Swain. Bibbie, Herbert Gerlach, owner,

and Robert Draycott. Shattemuc, Shattemuc Yacht Club, owner; Harold Washburne and Thomas Carpenter. Bantam, J Herbert Carpenter, Jr. owner; Robert Martin and Rutherford Lawrence.

The little Shattemuc finished third in the one design class, the winner being the Rival, which won again at the afternoon regatta of the Shattemuc Yacht and Canoe Club. It is the impression that the Marie Louise was first in her class, but there is no official notification to that effect as yet received.

“Shattemuc” Wins Yacht Race. The Shattemuc, the one-design yacht owned by the Shattemuc Yacht and Canoe Club, sailed in admirable style by Isaac T Washburne and Gabriel R Mead, showed her heels to the Rival and Tappan over a five and one-half mile course at the regatta of the Tappan Zee Yacht Club at Nyack last Saturday.

The victory was especially gratifying to the crew and club members, through the fact that the same boats defeated the Shattemuc on previous occasions. The local boat finished three and one-half minutes ahead of the Rival and four minutes ahead of the Tappan.

Ossining Yachtsmen Win at Yonkers. The boats of the Shattemuc Yacht and Canoe Club covered themselves with glory at the annual regatta of the Hudson River Yacht Racing Association, held at the Yonkers Yacht Club at Glenwood, Labor Day, winning four first prizes with four entries, which is a record rarely, if ever, equaled.

The cabin sloop “Bantam” sailed by her owner, J Herbert Carpenter Jr. and George F Carpenter was first in Class E. The “Shattemuc” owned by the Shattemuc Yacht Club and sailed by Raymond C Peck and Thomas Carpenter, was the winner in Class Z, one design, Mower class. Harry M

Carpenters “Marie Louise” was first in Class B for cabin motorboats, and she was handled by the owner, the crew being C W Frean, Benjamin Fagan and Jesse L Gorrell. In the tandem paddling race for canoes, A Rivers Genet and Sidney Bruce won. The statistics were as follows: Class B, cabin boats rating 43 and over 39; 10 miles – 1. Marie Louise, H M Carpenter, Shattemuc; 3:03, 1:15:27. 2. Grace, C S Smith, Tappan Zee, scratch 1:16. 3. Amrita, F N Collin, Columbia, 0:08; 1:17:22. 4. Fall Regatta at the Shattemuc Club. The fall regatta of the Shattemuc Yacht and Canoe Club was held last Saturday afternoon and an interesting programme was enjoyed by a number of guests of the organization. The course was a triangular one, three and three-fourths miles long, over which the sailing craft passed once and it was covered twice by the entrants in the motor boat races.

The “Francis R”, owned by Willet Acker, won the second leg on the Robin Cup and became the owner of the fine trophy offered by William M Carpenter, of Birkenhead, England. Harry M Carpenter’s “Marie Louise”, the scratch boat in the contest, broke a cable on her steering gear just before the race and was unable to start.

The other serious mishap of the day was the breaking of the newly installed

engine in Miles Vernon's "T N O" just when she was giving a fine account of herself in the race for open power boats.

The little one-design sloop "Shattemuc" of the Shattemuc Yacht and Canoe Club, defeated the "Tappan" of the Tappan Zee Yacht Club, by a scant margin of fifty-three seconds.

... During the afternoon there was music at the clubhouse and refreshments were served.

Yachtsmen Enjoy Spectacular and Exciting Race. The Shattemuc Yacht and Canoe Club held a regatta over the club course last Saturday, and some of the races were held in the teeth of a howling gale, which churned up a choppy sea and tested the skill of various skippers to keep their boats right side up.

... The race of the one-design boats - 1908 and 1910 models - was the most exciting event of the day. The boats were bunched at the start and as they worked away toward the first buoy, a thunder storm swept down the river and the boats were met with a succession of squalls. After rounding the first buoy the boats scudded before the wind down the river, with the wind developing to the proportion of a howling gale. When about opposite the High Stack, the "Shattemuc" heeled over, plunging her main boom into the waves, and she was unable to right herself. The crew, consisting of Raymond C Peck, Rossiter Holbrook, and Thomas Carpenter, clung to the capsized craft until they were rescued by Commodore Carpenter. A few minutes after the "Tappan" of the Tappan Zee Yacht Club, capsized and the crew came ashore in Albert E Tompkins motor boat "Twig", which put out to rescue them. Mr. Tompkins party consisted of Wilbur E Horton, George LeFevre and Thomas Collyer, and they formed a most effective life-saving crew.

Other boats in the race lowered the sails and dropped anchor until the storm passed, but Tower Ridge Boat, No. 5, gave one of best exhibitions of

seaworthiness ever witnessed hereabouts. Only once was a reef taken in the sails and while the mast bent and threatened to break, the boat plunged on and crossed the finished line a winner. One of those in the crew was Counselor Fagan and he is just conceited enough since to believe that his skill and good advise were factors in making such a spectacular finish, but some of the jealous members of the yacht club think that it was his presence as ballast in the bottom of the boat which prevent the boat from going over. All in all the regatta was one of the best held in this village in a long time.

Hudson River Y. R. A. Meets. At the annual meeting of the Hudson River Yacht Racing Association, held Saturday afternoon at the Hermitage Hotel, Worthington Scott, of the Tappan Zee Y.C., president of the association, presided, and representatives of ten clubs attended. The following dates were set aside by the association for club fixtures:

Colonial Y.C.'s Cornfield Light race, July 12 and 13; Poughkeepsie race, August 9 and 10; Shattemuc Yacht and Canoe Club races, at home, June 14 and September 20; Tappan Zee Y.C. home races, July 4; Columbia Y.C. home races, June 7; New York Motor Boat Club, race to Albany, June 28; home races, July 19; Hudson River Yacht Club, relay race to Albany, May 30, and annual regatta of the association, on Labor Day, and the Saturday and Sunday preceding it, to be held off Croton Point.

A new one-design class of sailing craft was adopted by the association. It is called the Indian class and is along lines similar to the Manhasset Bay "bugs".

Another new class adopted is that of power dinghys, each to be twelve feet long, with a beam of four feet, and equipped with a three horse power motor. They will cost \$125 each.

Harry M Carpenter, Charles W Frean, Rivers Genet, and Isaac T Washburne, of the Shattemuc Yacht and Canoe Club attended the meeting and they afterward enjoyed a beefsteak supper at the Colonial Yacht Club.

The open fall regatta of the Shattemuc Yacht and Canoe Club held Saturday afternoon was a big success, there being a most credible entry and the races were contested keenly. Class A- Open speed boats; distance, ten miles: "Undine" J A Farington, Tappan Zee Yacht Club; 31 minutes 19 seconds; "Vee", Colonial Yacht Club, New York, 32 minutes 5 seconds.

Class B – Motor Boats (cruisers); 10 miles: "Helen G" William Genz. Colonial Yacht Club, 49 minutes 45 seconds; "Virginia", H M Betts, Colonial Yacht Club, 50 minutes 7 seconds; "Grace", C S Smith, Tappan Zee Club, 59 minutes 28 seconds; "Marie Louise", Harry M Carpenter, Shattemuc Yacht Club, 1 hour 6 seconds; "Selma III" David Crow, Colonial Yacht Club, 1 hour 4 minutes 49 seconds; "Not Yet", E W Marshal, Yonkers Yacht Club, 1 hour, 10 minutes 10 seconds.

Class E – Standing cabin power boats; distance 10 miles: "Twig" A E Tompkins, Shattemuc Yacht Club, 1 hour, 22 minutes, 3 seconds; "Hopalong" R G Donnell, Shattemuc Yacht Club, 1 hour, 28 minutes 50 seconds.

Power Dinghies – Distance 5 miles C E Williams, Yonkers Yacht Club, 42 minutes, 15 seconds; David Crow, colonial Yacht Club, 43 minutes, 50 seconds; E W Marshall, Yonkers Yacht Club, 44 minutes 10 seconds.

Indian Class – Thomas Carpenter, first; R C Peck second; George Beisheim, third; Durbin S Wood fourth. All Shattemuc.

One Design Sailing (1910 Class): "Shattemuc", Shattemuc Yacht Club won.

Decked Sailing Canoes – Distance 5 miles; B A Acker, first; Norman Young second.

Tandem, single-blade: Wood and Croke, Tarrytown Boat Club, first; Acker and Wood, Shattemuc Yacht and Canoe Club, second.

The defeat of Acker and Wood in the tandem canoe race was due to an error of judgment on their part. When nearing the finish with a length to the good they stopped paddling assuming they had reached the end of the course and their rivals forged ahead and crossed the line in the lead.

First prizes were awarded in each event. Indian Class Race. The Indian Class of the Shattemuc Yacht and Canoe Club held a race last Saturday and all of the boats competed except those of Morris Vail and Durbin S Wood.

The contest was won by Raymond C Peck's boat with Edward Erickson's boat, sailed by Isaac T Washburne, second, and Thomas Carpenter, third. There will be another race on Saturday.

The work on the new Shattemuc clubhouse is progressing in a most satisfactory manner and the members look forward eagerly to the time when they can occupy the building, which will be about Labor Day.

Indian Class Race. The Indian Class of the Shattemuc Yacht and Canoe Club held another race last Saturday over the club course and a light and steady breeze made the sailing conditions just about perfect.

Thomas Carpenter's "Yixa" finished first with George Beisheim's "Onhaky" second and Raymond C Peck's "Red Feather" third.

Shattemuc's Annual Fall Regatta. The annual fall regatta of the Shattemuc Yacht and Canoe Club was held on Saturday afternoon and the weather conditions for the motor craft and spectators were about perfect. The sun shone bright and warm and there was scarcely the suggestion of a breeze, so that the surface of the river was exceptionally smooth.

The number of boats entered in the six races contested was very satisfactory, although the regatta of the Columbia Yacht Club held at New York prevented many of the city boats from competing.

In the Indian Class, Raymond C Peck was the winner, his boat covering the five mile course in 1 hour, 8 minutes and 10 second, elapsed and corrected time.

...The three-eights of a mile canoe race, one man, double blades, was won by B A Acker, in three minutes and 4 seconds. His opponents were Arthur B Goodwin, W W Good, C Howard Cotton.

The races were handled in first class style by the Regatta Committee, consisting of Arthur B Goodwin chairman; B A Acker and Norman Young.

In the evening there was a dance at the clubhouse and there was large attendance. One party of twenty-five came over from the Tappan Zee Yacht Club in a motor boat.
