The principal instructor for the seminar is Steve Purdy. Steve is a US SAILING Race Management Instructor, a Regional Race Officer, and is currently the Area B Race Officer. The co-instructor is Peter Oden, CRO.

At the seminar you will need your own copy of *The Racing Rules of Sailing 2009-2012 (RRS)*. If you are a US SAILING member, you should have received a copy. Extra copies will not be available at the seminar. If you are not a US SAILING member, you can either join US SAILING and get a copy free, or purchase one from the US SAILING store (<http://store.ussailing.org/>). You will be given a copy of *Join the Race Committee Team* at the seminar.

To prepare for the seminar you should try to answer the Study Questions, which are available on the US SAILING web site at: [One Day Race Management Seminar Study Questions](#).

The Club Race Officer certification test, which is given at the conclusion of the seminar, is optional. However, in order to be certified as a US SAILING Club Race Officer, you are required to attend a complete seminar and to pass the test with a score of 80% or better. In order to be certified as a Club Race Officer you will also need to have your own copy of the current US SAILING *Race Management Handbook*, and meet the program's other criteria. The 2009 edition of the *Race Management Handbook* is available from the US SAILING online store.

The seminar fee (\$40 for US SAILING members; \$85 for non-members) includes: continental breakfast, morning and afternoon breaks, lunch and all workshop materials. The non-member fee includes a one year individual US SAILING membership. To register send the attached registration confirmation form, with your check made to Shattemuc Yacht Club to Peter Oden.
